

Commander's Report to the Bridge – 8 October 2014

Well, I finally got in some boating again as I drifted the Bulkley River during the past two weeks in search of the elusive steelhead.

Our Boating Basics class has completed and Boating Essentials started. Training Officer Bob Wheadon advised that the Advanced Piloting course was cancelled due to issues around obtaining course materials.

Treasurer Wayne MacDonald advises that cash on hand at the end of September was very low, but that October deposits have improved the position somewhat.

Administration Officer Colin Hall has a number of vessels committed to the Thanksgiving Rendezvous this weekend. Go safely and enjoy the festivities.

It is with regret that we mark the passing of long-time member Anne Thomson. Our condolences go out to Pat Thomson, our Student Cruise Coordinator

Respectfully submitted,
Russ Jenkins, Commander
